

Dear professional,

We are hoping to adopt a baby. Instead of using an adoption agency, we are doing our own networking to get in touch with expectant women and families who might be considering adoption. We have completed a favorable home study as required by the State of Washington.

The attached letter is our best means of getting the word out and sharing a little about ourselves. **Anything you can do to help will be much appreciated** -- passing the letter on to a colleague, sending it to an expectant family, or just posting it where it can be seen. If you would like more copies of our letter we'll be very glad to mail them to you.

Please feel free to contact us with any questions. You can also call our adoption attorney collect: Albert Lirhus, 206-728-5858 (ask for Joan and reference file number 7439)

Thank you so much for your assistance.

Sincerely,

Sharon and Matt
